

WCSC Crisis Center Reopening Procedures – Monday, June 8, 2020

Hours of Operation: 8:30 a.m. – 5:00 p.m.

VI Department of Health COVID-19 Hotlines:

St. Croix: (340) 712-6299; St. Thomas/St. John: (340) 776-1519

If you suspect yourself, co-workers, clients or visitors that come to our office have been exposed to the corona virus, please share or contact the numbers listed above. We do have a non-contact infrared thermometer available at the office.

Safety Precautions

- We are following the CDC guidelines and VI government protocols for reopening.
- All employees, clients and visitors are required to wear masks and sanitize your hands when entering the building.
- We will be limiting the amount of people in the reception area to about six people at a time, to adhere to physical distancing guidelines. We will utilize the outdoor area, if necessary. We will be using the children's center for families with 3 or more children.
- We are asking all visitors and clients to schedule appointments, by calling 340.773.9272, to limit the number of people in the waiting room.
- All of the above guidelines can change based on government recommendations.
